DIMENSIONS: (all in inches)

Basic White: Card base 8- 1/2 x 5- 1/2

Scrap to stamp images

Designer Series Paper (DSP) 4-1/4 x 5-1/2

Pacific Point: 5- 1/2 x 3- 1/4

DIRECTIONS:

- 1. Use sticky note and cut rounded and place on upper right corner of card base. Add Daffodil Delight using the blending brush on the upper right of the front of the cardstock.**
- 2. Ink up Wave stamp in Pacific Point and stamp at bottom of card base. Make sure you have a little white showing under the stamped image so the wave will show when you add the DSP frame.**
- 3. Set card base aside.**
- 4. Stamp Pelican in Crumb Cake ink using scrap of Basic White and die cut.**

5. **Stamp Happy Birthday in Memento Black on scrap of basic white cardstock and use the label die and die cut the sentiment.**
6. **Use Basic White scrap to die cut cloud.**
7. **Using the Pacific Point cardstock 5-3/4 x 3 1/2, cut the adhesive sheet to fit on the cardstock. Add the adhesive piece to the Pacific Point cardstock.**
8. **Place the wave die cut on the Pacific Point side and die cut.**
9. **Peel off the adhesive sheet and add over the wave image on front of your card.**
10. **Using the stitched rectangle (3rd from largest) place in middle of DSP and die cut. This is your frame.**
11. **Pop up the Pelican with dimensionals on lower right front of card base.**
12. **Stamp 2 sea gulls in Basic Gray on upper left of card.**

Tip: Place your DSP frame on front of card so you know where to stamp sea gulls

13. **Add adhesive on back of cloud and add to front of card.**
14. **Pop up frame with dimensionals and add to card front.**
15. **Add adhesive on sentiment label and add sentiment to bottom right of card.**
16. **Add 3 embellishments using the Rhinestones Waves Basic Jewels.**
